FLOOR DEBATE

March 28, 2003 LB 267, 439

SENATOR TYSON: If it's an easy one.

SENATOR CHAMBERS: Senator Tyson, as I read the committee statement, you were not the one who introduced this bill. Is that correct?

SENATOR TYSON: You say was I the one to introduce the bill? Yes.

SENATOR CHAMBERS: It's correct that you were not the one who presented it to the committee. Is that correct?

SENATOR TYSON: Yes.

SENATOR CHAMBERS: Do you think that might have something to do with why it got a unanimous vote to be advanced from the committee?

SENATOR TYSON: Not a bit of it.

SENATOR CHAMBERS: Okay. Thank you. (Laughter)

SENATOR LANDIS: Thank you for that exchange. There are no further lights on. The question now is the advancement of the bill. Senator Tyson, there are no lights on. Do you wish to waive closing? And he does. The question now is the advancement of LB 267. Those in favor vote aye; opposed vote no. Mr. Clerk, you may record.

CLERK: 27 ayes, 0 nays, Mr. President, on the advancement of LB 267.

SENATOR LANDIS: Thank you, the bill is advanced. We'll move on to LB 439. The Chair recognizes the fact that when we get to the General File questions it looks as if there are some significant and controversial measures, but there are two more bills in this section that perhaps we could be able to take action on yet this morning. Senator Hudkins, to introduce LB 439.
